WELCOME

Whether you're brand new or have been here a few years, we want to help you discover all that our wonderful community has to offer. Visit us at Explore Queen Creek and be sure to download our mobile app to find businesses, events and news around town.

You can also stop by and see us at the Visitor Center located at the Queen Creek Chamber of Commerce to get all kinds of ideas for activities and day trips!

Recognized by the Arizona Republic as one of the fastest growing towns in the nation, and as one of the newest communities in Arizona, residents are seeing constant changes and improvements to the town. Roads, buildings and other amenities are being completed at a rapid pace and even more is planned as part of the Town's 10 year, $195 million Capital Improvement Plan. Through innovative projects, partnerships and visionary planning, Queen Creek is situated to be a competitive location for new business, and is positioned for long-term sustainability.

Queen Creek has earned recognition and awards on regional, state, and national levels, and it's been named "One of America's Friendliest Cities" by Forbes magazine. We hope you enjoy living here as much as we do!

GIVE LOCAL: KIWANIS CLUB OF QUEEN CREEK

The Kiwanis Club of Queen Creek is a non-profit organization that is dedicated to making their community a better place. They serve the community through various projects that aim to make a difference, especially in the lives of children. Some of their projects include adopt-a-road, student of the month, scholarship programs, and many more!

The Kiwanis Club of Queen Creek partners with Big Brothers Big Sisters, local businesses and local schools to place blue clothing donation boxes around Town. Donate used clothing, shoes, purses, linens, belts, etc to any of the blue donation clothes bins around Town. The items from these bins are then cleaned and sold to second hand clothing stores around the valley to raise funds for Kiwanis Club programs. Need to empty your closet? Find blue bin locations here.

The Kiwanis Club makes a difference in the lives of kids through two project areas: dictionary giveaways and scholarships. Each year, the Kiwanis Club of Queen Creek distributes more than 3,000 free dictionaries to third graders across Queen Creek and surrounding areas. The club is able to award more than $15,000 in scholarships to local high school seniors.

To learn more about the organization, visit their website at [Kiwanis Club of Queen Creek.]

TRANSPORTATION UPDATES

Queen Creek continues to be one of the fastest growing communities in Maricopa County. With that growth comes the need for additional infrastructure. There are multiple projects underway around Town to help alleviate traffic and improve current roadways. The SR 24 Interim Phase II follows the completion of SR 24 Phase I that was completed in 2014.

SR 24 Interim Phase II from Ellsworth Road to Ironwood Drive. The project began in late 2020 and is expected to open in Summer 2022. It will be complete with two lanes in each direction with a median, and four interchanges at Williams Field Road, Signal Butte Road, Meridian Road, and Ironwood Drive.

It's important to note that the ultimate build-out of SR 24 is not anticipated until the 5th phase of the regional transportation plan. The interim freeway will help serve the transportation needs of our community until additional funding is made available. To stay informed visit Arizona Department of Transportation.

In 2016, Queen Creek's Transportation Master Plan was approved that identified $195 million in roadway needs. Did you know that new developers are responsible for half-street improvements on major arterial roadways along their perimeter? As new developments come into town, the Town coordinates with the developer on when and which roads need to be built out.

The Town of Queen Creek is currently in their 10-Year Transportation Improvement Plan (2016 - 2026). Projects completed between 2017-2020:

Ellsworth Road - Queen Creek to Germann

Power Road - Ocotillo to Brooks Farm

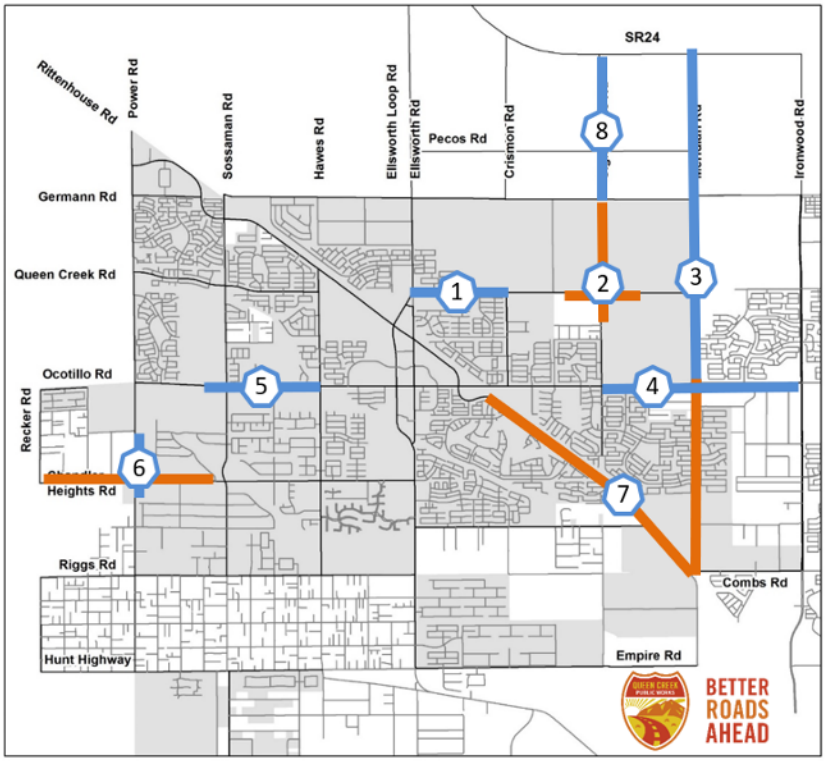
Riggs Road - Power to Hawes

Riggs Road - Ellsworth to Meridian

Crismon Road - Queen Creek to Germann

Ocotillo Road - Ellsworth Loop to Signal Butte

Projects Currently in Design/Construction 2020-2022 ($61M)



1. Queen Creek – Ellsworth to Crismon (2020)
   - New 5-lane roadway
2. Signal Butte Rd – Queen Creek to Germann (2020)
   - New 3-lane roadway
3. Meridian Rd – Combs to SR 24 (2022)
   - 5-lane roadway Combs to Germann
   - 3-lane roadway Germann to SR 24
4. Ocotillo Rd – Signal Butte to Ironwood (2020)
   - New 5-lane roadway
5. Ocotillo Road – Hawes to Sossaman (2020)
   - New 5-lane roadway
6. Power Rd and Chandler Heights Rd (2020)
   - Power Rd - Brooks Farm to Chandler Heights
   - Chandler Hieghts from Sossaman to Recker
7. Rittenhouse Rd – Riggs Rd to Ocotillo Rd (2020)
   - New 5-lane roadway
8. Signal Butte Road – Germann to SR 24 (2022)
   - New 3-lane roadway

QUEEN CREEK OLIVE MILL

What started in 1998 as an experiment to see how well olives could thrive in the Sonoran Desert has now grown into the Queen Creek Olive Mill, an agri-tourism destination where travelers come from around the world to learn about the production of extra virgin olive oil (EVOO) and its benefits. Olive Oil 101 Classes begin daily in the grove where visitors learn why olive trees thrive so well in our micro-climate. Two eateries, del Piero Kitchen and Di Oliva Italian Bistro, use garden-sourced and premium, Italian ingredients to create menus inspired by old-world family recipes. Guests tend to taste their way through the gourmet marketplace where they find a selection of extra virgin olive oils, balsamic vinegar, and other culinary treasures that have been specially curated by the Mill's Olive Oil Sommelier, Perry Rea. Peek into the OliveSpa lab where you'll see all-natural and EVOO-based skincare products being crafted that you can test and try right on site. Or, become a coffee connoisseur with Infusion Coffee & Tea Crafters, a team of educators delivering world-class coffee and tea experiences, from seed to cup, every day at the Mill. With so much to taste, test, and experience, you'll discover a world of flavor at the Queen Creek Olive Mill.

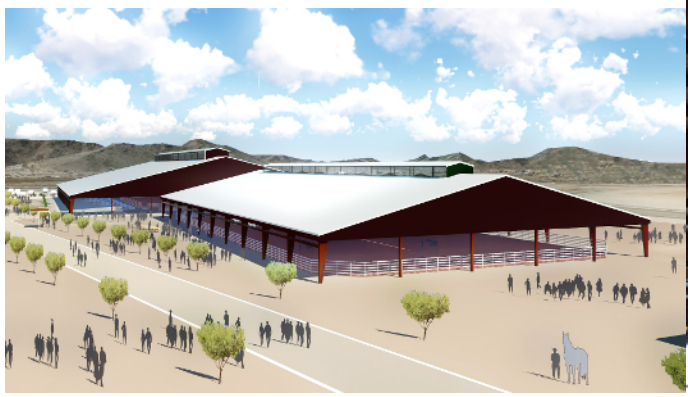
ROOTS N' BOOTS

Roots N' Boots returns for its 11th year! Presented by Banner Ironwood Medical Center, Roots N' Boots is happening March 17th - 20th at Horseshoe Park and Equestrian Centre. The event is more than a rodeo, it has a vendor area, dances, an antique tractor show, and a carnival! The event has become so popular that it was expanded to feature a 4th night. Bull riding is on Thursday, and the PRCA Rodeo is Friday - Sunday featuring bareback riding, bull riding, and barrel racing. Tickets are on sale now and start at $15. The full event schedule and tickets can be found at Roots N Boots Queen Creek.

Roots N' Boots began in 2010 to celebrate the grand opening of Horseshoe Park and Equestrian Centre (HPEC). It started as a event run by the Town of Queen Creek and then it was passed onto the local non-profit, Friends of Horseshoe Park. The event is organized by a committee comprised of about 35 - 45 people, and has 100-150 volunteers to help run the event. "Our committee and volunteers are a great group of people" says Jon Wotten, President of Friends of Horseshoe Park .



Friends of Horseshoe Park (FOHP) is a non-profit 501(c)3 incorporated in 2010 to support the park's events, raise funds for the park, and host Roots N' Boots. One of their latest fund raising events was to cover arena three. It was a three year project to raise funds for the arena cover. Friends of Horseshoe Park paid $193,059 for the cover, most of which where donated from the community. Those interested in supporting Friends of Horseshoe Park can donate money at Friends of Horseshoe Park. Another recent improvement the group helped provide was a broom attachment for the skid steers which sweep

debris from the aisles and roads to help keep them safe for horses and vehicles.

Not only does Friends of Horseshoe Park support the park, but they are instrumental in fostering the rural heritage of the Town. Mr. Wooten says that "As our farm fields go away and roads widen, the ability to hold onto the visualization of the rural heritage of Queen Creek becomes impossible." Hosting events such as Roots N' Boots provides the opportunity to bring the community to the arena to interact with the animals as a way to foster and remind people of that rural heritage. FOHP is the voice of the equestrians for the Town. They assist the Town and developers with questions regarding equestrians and the trail system to maintain their safety for all users.

Horseshoe Park and Equestrian Centre is a 38 acre equestrian event facility located at 20464 E Riggs Rd in Queen Creek. The park is home to many events, such as Art of the Cowgirl, Roots N' Boots, Arizona Cutting Horse Association, and more! For a full list of their events, visit Horseshoe Park & Equestrian Centre. Most of the events at HPEC are free, however there are some that are ticketed events such as Art of the Cowgirl and Roots N' Boots.

Not only does HPEC host events, but it's home to a community riding arena that is open to the public seven days a week from 7 a.m. to 10 p.m.

Banner Children's.

Inpatient Pediatric Unit

Banner Ironwood Medical Center's (BIMC) Pediatric Inpatient Unit provides care close to home. Staffed with Banner Children's physicians and pediatric-trained care team members, we're here to meet the unique needs of children and their families. Our specialized Pediatric Inpatient Unit enables your child to receive the care needed in a hospital that is part of your community and close to home.

Committed to family-centered care, BIMC's Pediatric Inpatient Unit offers:

- Pediatric-trained physicians, advanced practitioners, nurses and patient care technicians
- Certified child life specialists
- Child-friendly private rooms
- Family lounge
- Pediatric-prepared emergency department (ED)
- Playroom and treatment room
- Specialized care for the unique needs of children

BIMC's Pediatric Inpatient Unit is here to serve the growing needs of families in the community. Banner Ironwood is affiliated with Banner Children's at Desert, where more advanced pediatric care will be provided for patients and families in the East Valley, if needed.

Banner Health
Ironwood Medical Center

Your Community Hospital

Banner Ironwood Medical Center, part of the nonprofit Banner Health, is a community hospital boasting neighborhood convenience and friendliness while leveraging the clinical expertise and innovation of one of the country's leading health systems. This state-of-the-art facility cares for patients through all phases of life, offering;

- Emergency & Trauma Care (Level IV)
- Women's Health, Maternity & Midwifery Care, Obstetrics/ Gynecological Services
- Orthopedics/Sports Medicine
- Surgical Care including Robotic Surgery
- Digestive Health/Gastroenterology
- Men's Health- Urological Care
- Pediatric & Child Life Services

Located at the intersection of Gantzel and Combs roads in Queen Creek, Banner Ironwood is a regional health care provider serving the greater Queen Creek, San Tan Valley and Florence areas. It is fully integrated with and complemented by the nationally recognized Banner Medical Group, which places primary care and specialist physicians in conveniently located Banner Health Clinics and Centers. Furthermore, two Banner Urgent Care locations in San Tan Valley serve patients whose health concerns require immediate medical attention, but don't necessitate a more costly trip to the Emergency department.

SPRING INTO QC

Hop on over to the annual Spring into QC event on Saturday, March 26th from 9am - 1pm at Mansel Carter Oasis Park located at 19535 E Appleby Rd. in Queen Creek. The event is hosted by the Town of Queen Creek Parks and Recreation department. This is a signature Town event with fun for the entire family!

The Easter Egg Hunt runs throughout the event and each age group has a designated time slot. Baskets are not provided so be sure to bring your own. The egg hunt continues until the last egg is found so make sure to get there early so you don't miss out on the fun!

Bounce over to the play zone for inflatables, rock walls, bungee run and more! Wristbands are $15 and include unlimited access to the activities. The event also features a tot spot for the little ones under the age of five.

Other fun activities include Billy Goat Bingo and animal races with turtles, ducks, and more hosted by the FFA booth! Feed the goats and if they "deposit" first on your square, you'll receive a prize.

Limited event parking is available at the park, and a free shuttle will run continuously from the Library Recreation Annex beginning at 8:15 a.m. until 2 p.m.

There's fun for everyone! For more information, visit QueenCreekAZ.Gov/SpringIntoQC

GOOD LIFE FESTIVAL

The Shea Homes Good Life Festival powered by Subaru is returning to Schnepf Farms on March 19th for their 11th season! This year's line up features hit rock bands Grand Funk Railroad, Jefferson Starship, and Fran Cosmo & Anton Cosmo (formerly of BOSTON) with special guest Nate Nathan and the Mac Daddy-O's. Gates open at 2:00p.m and the music starts at 2:45p.m. Guests will enjoy live music and wine/beer tasting with savory bites.

In 2021 Schnepf Farms started hosting the Shea Homes Good Life Festival. It used to be hosted at the Encanterra Country Club, and outgrew the venue. Mark Schnepf, the owner of Schnepf Farms, hopes the festival will remain out at Schnepf Farms for years to come.

The Good Life Festival includes concerts with national and local acts, and a variety of activities, including speciality shopping and wine/beer tasting.

Grand Funk Railroad is led by Don Brewer and bassist Mel Schacher with singer Max Carl, lead guitarist Bruce Kulick (best known for his years with KISS) , and keyboardist Tim Cashion. The band has laid the groundwork for other bands such as Journey and Foreigner. Mega hits *We're an American Band*, *I'm Your Captain/Closer to Home*, *Locomotion*, and *Some Kind of Wonderful* still play on Classic Rock radios all around. Over the career, the Grand Funk had 19 charted singles, 8 top 40 hits and two number one singles.

With their 50th anniversary approaching, Jefferson Starship joins the line up at the festival! The band produced a number of hit albums like Red Octopus, Spitfire and Earth. Popular hits feature *With Your Love*, *Count on Me*, and *Runaway*.

For a rockin' time visit Schnepf Farms – We Grow Fun to purchase tickets.

DeBellevue Global

Your Social Media. Handled.

Leanna DeBellevue is an international speaker, global marketing agency owner, social media strategist and co-author of the Amazon International bestseller, Light At The End Of The Funnel, a practical guide for business owners who are ready to step into success.

She has helped clients from over 19 countries generate millions of dollars in sales using social media to connect and engage with their target markets. The companies she has worked with range from global conglomerates to real estate moguls and individual business owners looking to reach new untapped markets.

Leanna has spoken in front of thousands of entrepreneurs, business leaders and decision-makers from over 13 countries on topics ranging from overcoming success blockers to implementing social media strategies and business growth hacks. She has written for HuffPost and was a guest speaker on podcasts by Iheartradio, Real Estate, and Health Coach Academy among several others. She is also a 2020-2021 Council Member for Forbes Magazine.

Forbes | Agency Council

2021 OFFICIAL MEMBER

DeBellevue Global

Headquartered in Queen Creek

DeBellevue Global was founded on the fundamental belief that small business is the heartbeat of America and is what highlights the tenacity and resilience of the American people. That said, a business owner can be the best in their industry but if they do not know how to get in front of the people who can use their services, they are unable to survive. It is our mission to act as a bridge between the people to provide services and the people who need them. We create messages that resonate with our clients target audience.

We provide a resource for businesses that are falling flat on social media. We handle all aspects of social media for our clients and help them grow in an organic and sustainable way. We believe that it is a slow and steady relationship building process that ultimately builds the best brand recognition, and brand loyalty.

Our company creates the content, schedules the content, responds to basic inquiries all while matching your brand voice. We ask our clients what their definition of success is on social media, then we take that definition and create a road map to get us there. Each plan is individualized.

While we have clients in over 19 countries at any given time, it is our local clients that I find the most joy in working with as I feel like as a company, we are giving back to our local community, thriving together. Our clients range from the solopreneur to some of the largest corporations in the country. If you know who you serve, know why you serve them and are purpose-driven, we can help!

When done correctly, social media is a great way to build lasting relationships with your audience in a way that is predictable and scalable. If you are tired of being the best kept secret, reach out to us and let's see if we can help!
